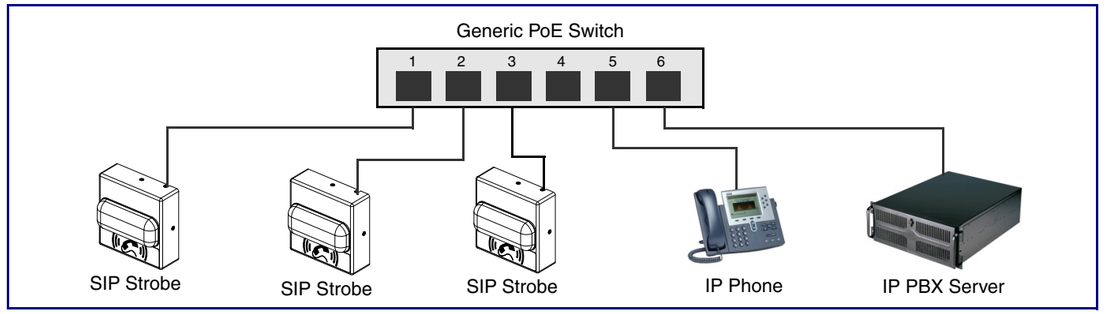
Typical System Installation



Getting Started

- Download the *V3 SIP Strobe Operations Guide* PDF file, from the V3 SIP Strobe product page at:
  http://www.cyberdata.net/products/voip/digitalanalog/strobe/docs.html
- Create a plan for the locations of your SIP Strobes.
- WARNING: This product should be installed by a licensed electrician according to all local electrical and building codes.
- WARNING: To prevent injury, this apparatus must be securely attached to the floor/wall in accordance with the installation instructions.
- WARNING: The PoE connector is intended for intra-building connections only and does not route to the outside plant.
- WARNING: This enclosure is not rated for any AC voltages!
