# Peavey CS 800 Amplifier to SIP Paging Adapter Connections

**Peavey CS 800 Amplifier**

**SIP Paging Adapter Connections**

or

**Notes**

The CyberData SIP Paging Adapter's RCA Line Out can connect to one Channel A input on the Peavey
CS 800 Amplifier using a phono cable with male plugs.

Link the unused Channel A input to a Channel B input using a phone cable with male plugs per the
Peavey CS 800 Amplifier diagram on the left. Set the DDT and Mode switches according to the diagram.
