

Gooseneck Mounting

**Note:** To mount the intercom, use methods compliant with local electrical codes.

**Note:** More installation and mounting information is illustrated in the Operations Guide.

**Caution**  
**Equipment Hazard:** Do not use an electric or power screwdriver to fasten the face plate and PCB assembly to the gang box. To prevent over-torque damage to the gasket, do not apply more than 10 inch-pounds force. Over-torquing will cause the gasket to tear, risk moisture intrusion, and effectively void the manufacturer's warranty.
