

March 21-24, 2022 Gaylord Palms, Orlando, FL & Virtual

CyberData to Exhibit at Enterprise Connect 2022, the Leading Conference and Exhibition for Enterprise Communications and Collaboration

Monterey, CA March, 2022 – CyberData, The IP endpoint Co, will participate as an exhibitor at <u>Enterprise Connect 2022</u>, the leading conference and exhibition for enterprise communications and collaboration, **in booth #1503**. The event will take place March 21-24 at the Gaylord Palms hotel in Orlando, Florida and virtually.

For more than 30 years, Enterprise Connect has brought corporate IT decision makers together with industry vendors, analysts and consultants to focus on the issues central to enterprise networks and communications. Over four days, Enterprise Connect offers a Conference Program that showcases the latest systems extensive networking opportunities; and software, services and applications for

enterprise communications and collaboration, with an Exhibit Hall that brings together the major vendors side-by-side.

CyberData will be displaying their latest releases such as the new <u>VoIP SIP/Multicast Speakers</u> and the <u>InformaCast WiFi</u> <u>Button</u>, and their popular line of <u>SIP Intercoms</u> and visual and <u>audio notification endpoints</u>. CyberData's Director of VoIP Sales, Dan Marchetto, and Interop Manager, Paul Tuttle will be on site to share information on these new releases and their best-selling IP endpoints.

Follow CyberData on <u>Twitter</u>, <u>LinkedIn</u> and <u>Facebook</u> for updates. Click <u>here</u> for more information on Enterprise Connect or follow Enterprise Connect on <u>Twitter</u>, <u>LinkedIn</u>, <u>YouTube</u>, <u>Facebook</u> and <u>Instagram</u>.

About CyberData

Founded in 1974 and based in Monterey, California, CyberData Corporation is a leading IP Endpoint design and manufacturing firm with a focus on developing peripheral devices for VoIP phone systems. They build products that facilitate legacy migration to VoIP, IP equivalents to existing analog devices, and application specific endpoints that add new functionality. Their VoIP products, such as IP Speakers, IP Horns, and IP intercoms, are cost-effective and easy to manage solutions for VoIP phone systems.

About Enterprise Connect

For more than 30 years, Enterprise Connect has been the leading conference and exhibition for enterprise communications and collaboration in North America. Enterprise Connect brings corporate IT decision makers together with the industry's vendors, analysts and consultants to focus on the issues central to enterprise communications. Enterprise Connect owns and produces No Jitter, (nojitter.com), which provides daily blogging and analysis of enterprise communications, and it also serves the community with a weekly email newsletter, virtual events, and a Webinar series. For more information, visit enterpriseconnect.com/orlando. Enterprise Connect is brought to you by Informa Tech.
