

# CyberData Welcomes Pam Quinlan

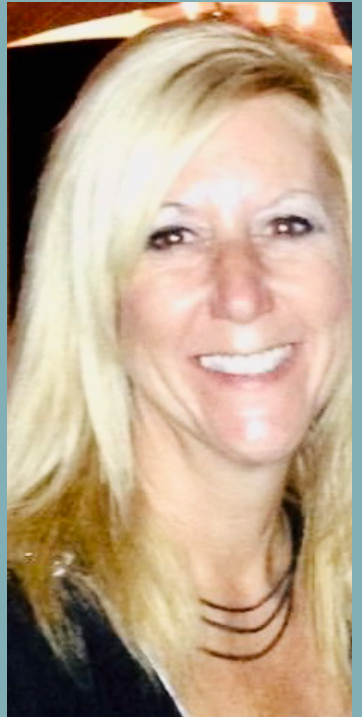

## October 2023 News

CyberData is pleased to announce that Pam Quinlan has joined the CyberData team in the role of VoIP Sales Consultant. Pam is a seasoned professional bringing over two decades of expertise in new business and client development. Her illustrious career has been marked by a focus on Channel Management, Business Development, and Account Management, across various facets of the technology industry.

Pam has successfully navigated the complex landscape of distributors and service providers, MSPs, VARs in the cloud hosted voice, and telecom industries. Her diverse background and profound insights have equipped her with the tools necessary to excel in this dynamic and ever-evolving field.

Pam's strengths lie in her profound industry knowledge and her deep understanding of corporate sales strategies and channel management. She excels in identifying and delivering solutions that are tailor-made to meet the unique business and technology goals of her clients. Her commitment to her work is aptly summarized by her personal mantra, "Never Ever Give Up."

Pam Quinlan is a valuable addition to the CyberData team, embodying professionalism, expertise, and an unwavering dedication to her clients' success. Welcome aboard, Pam!
